

ICAA Teaching Methods (GRBC, ICA, IDAE, II, and IJ)

ICAA

Use of current research findings to improve instruction is required as a part of the district's school improvement efforts. Staff development programs will be designed to help teachers learn research-based instructional skills and to apply them in daily instruction.

Approved: 7/16/15

KASB Recommendation – 6/04; 4/07; 6/10
