

JDDA Drug-Free Schools (See GAOB, JGFGB, JGFGBA, and LDD) JDDA

Maintaining drug-free schools is important in establishing an appropriate learning environment for the district's students. Unless otherwise specified in this policy, the possession, use, sale, distribution, and/or being under the influence of illicit drugs, controlled substances, and/or alcohol by students at school, on or in school property, or at school sponsored activities or events is prohibited.

Possession, use, and/or being under the influence of a controlled substance by a student for the purposes of this policy shall only be permitted if such substance was:

1. Obtained directly from, or pursuant to a valid prescription or order, issued to such student from a person licensed by the state to dispense, prescribe, or administer controlled substances;
2. In the case of use or possession, approved and administered, if administered at all, in accordance with board policy JGFGB and/or board policy JGFGBA; and
3. Used, if at all, in accordance with label directions.

Student Conduct

As a condition of continued enrollment in the district, students shall abide by the terms of this policy.

Students shall not manufacture, sell, distribute, dispense, possess, use, and/or be under the influence of illicit drugs, controlled substances, or alcoholic beverages at school, on or in school district property, or at any school activity,

program, or event. Any student violating the terms of this policy will be reported to the appropriate law enforcement officials, and will be subject to:

[Insert local sanctions here: Possible sanctions for noncompliance must include expulsion as a consequence for violation of JDDA.]

Students who are suspended or expelled under the terms of this policy will be afforded the due process rights contained in board policies and Kansas statutes, K.S.A. 72-6114, et seq. Nothing in this policy is intended to diminish the ability of the district to take other disciplinary action against the student in accordance with other policies governing student discipline. If a student agrees to enter and complete a drug education or rehabilitation program, the cost of such program will be borne by the student and his or her parents.

A list of area drug and alcohol counseling and rehabilitation programs, along with names and addresses of contact persons for the programs, is on file with the board clerk. Parents or students should contact the directors of the programs to determine the cost and length of the program.

A copy of this policy will be provided to all students and the parents of all students. Parents of all students will be notified that compliance with this policy is mandatory.
